

Congress at a glance 35th ECNP Congress

As per 6 October 2022.

SATURDAY

Scientific programme

15:00-15:30
Foyers D, E & F

Break
Coffee break

15:30-16:30
Hall D

Keynote Session
KL01 | Opening & Keynote Lecture - Evolution of glutamate models of psychosis *B. Moghaddam*

16:50-18:10
Hall E1

Symposia & Educational Update Session

S01 | Beyond the classical culprits: multifaceted brain systems in eating and metabolic disorders
S. Borgland, G. Gangarossa, R. Maldonado, S. la Fleur

Hall E2

S02 | Rhythms of brain resilience: shining a spotlight on the menstrual cycle to treat mood disorders
E. Comasco, J. Sacher, V. Frokjaer, M. Bloch

Hall F1

S03 | Towards personalized psychedelic applications: understanding its treatment success
D. Erritzoe, K. Kuypers, F. Palhano Fontes, T. Palenicek

Hall F2

E01 | EPA educational session – Early recognition and prevention of mental disorders – aiming at a moving target *C. Correll, N. van Haren*

16:50-17:20
Hall G1

Love Your Brain Session
L01 | Genetic and environmental influences on happiness *M. Bartels*

16:50-17:35
Hall K

ECNP Patient Session
ES01 | Patient's experience with electroconvulsive therapy and esketamine

17:25-18:10
Hall G2

Career Development Session
CD01 | Celebrating failure and negative results *A. Bespalov*

17:40-18:10
Hall G1

Top Paper Session
TP01 | Highlights in dementia *K. Lunnon*

18:10-19:30
Level 1

Welcome Reception

19:30-21:00

ePoster Session
Presenting author available on the online platform

Industry sessions

09:45-10:30
Hall E2

Industry Mini Session
IMS.01 | Functioning as a treatment goal in major depressive disorder (MDD): how can we improve patient outcomes? *R. Lam, N. Schweinfurth-Keck, A. Fagiolini*
Financial support provided by H. Lundbeck A/S

11:15-12:45
Hall E1

Industry Satellite Symposia
ISS.01 | Dysregulated circuits, dysregulated emotions: understanding and addressing unmet needs for patients and physicians *R. McIntyre, C. Piquet, I. Myin-Germeys, D. Pizzagalli*
Financial support provided by Boehringer Ingelheim

Hall F2

ISS.03 | Schizophrenia today: how important is the patient perspective?
S. Brissos, P. Fusar-Poli, C.U. Correll, S. Heres
Financial support provided by Otsuka Pharmaceutical Europe Ltd and H. Lundbeck A/S

13:30-15:00
Hall E1

Industry Satellite Symposia
ISS.04 | Optimising long-acting therapy use in schizophrenia *E. Parellada, D. Taylor, M. Sajatovic*
Financial support provided by Janssen Pharmaceutical Companies of Johnson & Johnson in EMEA

Hall F1

ISS.05 | Quality of life, therapeutic alliance and digital tools in the management of schizophrenia in adolescents and young adults *S. Galderisi, C. Moreno, I. Singh, M. Singh*
Financial support provided by Sunovion Pharmaceuticals Inc., Angelini Pharma and Sumitomo Pharma Co., Ltd.

Hall F2

ISS.07 | Optimising outcomes in major depressive disorder (MDD): managing patients who are not fully responsive to initial antidepressant treatment *G.I. Papakostas, R. McIntyre, S.S. Almeida*
Financial support provided by H. Lundbeck A/S

SUNDAY

Scientific programme

09:30-17:00
Hall X2

Exhibition

10:00-12:00
Hall X1 & Hall X2

Break
Coffee break

10:15-11:00
Bubble 1 – Hall X2
Bubble 2 – Hall X2

Campfire Sessions

CA01 | Nature and mental health: is there a role for environmental and sensorimotor structures?
P. Francisco
CA02 | The neuroscience of socioeconomic inequality: how poverty affects the brain
S. Wijeakumar

10:15-10:35
Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jams

J01 | Mood disorders
J02 | Stress and anxiety disorders

10:30-11:50
Hall E1

Symposia & Educational Update Session

S04 | Machine learning and the neurobiology of behaviour
J. Bordes, J. Bohacek, N. Gogolla, N. Koutsouleris

Hall E2

S05 | Is epilepsy a psychiatric disorder?

L. Pinborg, S. Elkommos, C. Helmstaedter, M. Marstrand-Joergensen

Hall F1
Hall F2

S06 | Psychotherapy 4.0 – neuroscience applied *E. Holmes, P. Zwanzger, V. Manning, E. Vermetten*
E02 | Advances in understanding of the causes and treatment of anxiety disorders
K. Domschke, D. Baldwin

10:45-11:05
Corner 1 – Hall X1
Corner 2

Poster Jams

J03 | Other disorders
J04 | Preclinical research

11:15-11:35
Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jams

J05 | Psychotic disorders
J06 | Mood disorders

11:15-12:00
Bubble 1 – Hall X2
Bubble 2 – Hall X2

Campfire Sessions

CA03 | Suicide prevention
CA04 | Promises and perils of Ketamine *B. Moghaddam*

11:15-12:00
Hall K

Other Session

OS02 | Hot Topic Session 1 *C. Pryce, T. Arbab, A. Vernon, D. Coghill*

11:45-12:05
Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jams

J07 | Stress disorders
J08 | Psychotic disorders

12:15-13:00
Hall D

Plenary Lecture

PL01 | The neurobiology of play *M. Brecht*

13:00-14:25
Poster area – Hall X1

Poster Session

Presenting author available at the poster

13:00-14:30
Hall X1 & Hall X2

Break
Lunch

13:20-13:50
Hall K

Love Your Brain Session

L02 | The beauty of the brain: a journey in pictures *K. Ioumpa*

13:20-13:50
Hall F2

Top Paper Session

TP02 | Highlights in mood disorders *D. Slattery*

13:20-14:05
Bubble 1 – Hall X2
Bubble 2 – Hall X2

Campfire Sessions

CA05 | Microglia – sculpting the brain in health and disease *M. Tremblay*
CA06 | Mental health and the brain: myths and media misunderstandings *D. Burnett*

13:20-14:05
Hall G2

Career Development Session

CD02 | How I got my ERC *G. Donohoe, M. Aburto*

13:20-14:20
Hall F1

Other Session

OS03 | ECNP's Got Talent *C. Souama, A. Petzold, A. Yotova, M. Van Der Pluijm*

SUNDAY

Scientific programme

14:25-14:45

Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jam

J09 | Addiction
J10 | Immunology

14:25-14:55

Hall F2

Top Paper Session

TP03 | Citation Prize – Highlights in psychedelic treatment *M. Madsen*

14:25-15:10

Hall K

Panel Discussion

OS04 | Getting out of the tick-box: moving lived experience from involvement to shared leadership in mental health *G. Grace, K. Martin, S. Holderbach, L. Fischer*

14:25-15:10

Bubble 1 – Hall X2
Bubble 2 – Hall X2

Campfire Sessions

CA07 | The continued need of animal models *J. Homberg*
CA08 | Rising Star Award Campfire – Obesity and the healthy brain – time for a paradigm shift? *N. Opel*

14:25-15:10

Hall G2

Career Development Session

CD03 | Communicating your research to the media and the public *T. Parkhill*

14:55-15:15

Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jams

J11 | Neurology
J12 | Non-pharmalogical interventions

15:00-15:30

Hall X1 & Hall X2

Break

Coffee break

15:25-15:45

Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jams

J13 | Mood disorders
J14 | Psychopharmacology

15:30-16:50

Hall E1

Symposia & Educational Update Session

S07 | New Medications symposium: progress in drug development – new medications and clinical trials *K. Deligiannidis, J. Hudry, E. James, S. Miles, S. Brannan, L. Citrome*

Hall E2

S08 | What can mobile digital technologies offer in understanding, monitoring and treating mental disorders? *U. Ebner-Priemer, J. Kuntsi, M. Auriacombe, M. Faurholt-Jepsen*

Hall F1

S09 | Cross-cutting issues in behavioural addictions, substance use disorders, and autism *C. Winstanley, J. Grant, J. Sinclair*

Hall F2

E03 | 'Gut feelings': from gut to brain and back again *J. Foster, H. Critchley*

15:30-16:15

Bubble 1 – Hall X2
Bubble 2 – Hall X2

Campfire Sessions

CA09 | From PRISM 1 to PRISM 2 – bringing precision to neuropsychiatric disorders *M. Kas, H. Marston*
CA10 | Incorporating science into daily clinical practice *C. Vinkers*

15:55-16:15

Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jams

J15 | Epidemiology and big data
J16 | Mood disorders

16:05-16:50

Hall K

Panel Discussion

OS05 | ALBA network diversity & inclusion session: diversity in prize nominations *E. Binder, A. Meyer-Lindenberg, F. Cirulli, B. Moghaddam*

16:25-16:45

Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jams

J17 | Autism
J18 | Preclinical research

17:00-17:45

Hall D

Plenary Lecture

PL02 | Nutritional psychiatry – where are we going? *F. Jacka*

19:30-20:30

ePoster Session

Presenting author available on the online platform

SUNDAY

Industry sessions

08:30-10:00

Hall F2

Industry Satellite Symposia

ISS.06 | Prioritize mental illness in context of comorbidities and COVID 19 impact

A. Fagiolini, L. De Picker, M. Alsuwaidan, O. Agid

Financial support provided by Viatrix

Hall E1

ISS.08 | Piecing together the cognitive impairment puzzle: cognitive domains and schizophrenia in clinical practice

P.D. Harvey, S. Galderisi, A. Medalia, P. Falkai

Financial support provided by Boehringer Ingelheim

Hall E2

ISS.09 | Schizophrenia in women

D. Marazziti, H. Taipale, S. Brissos, C. Carmassi

Financial support provided by Gedeon Richter Plc and RECORDATI S.p.A

Hall F1

ISS.10 | Highlighting unmet needs and understanding treatment pathways in depression

A. Young, R. Jain, G. Apter, M. Bauer

Financial support provided by Sage Therapeutics and Biogen

11:15-11:45

Room 0.11

Industry Interactive Discussion

IID.01 | Daring to be different: innovative approaches to psychiatry

H.M. Marston, G. Goodwin

Financial support provided by Boehringer Ingelheim

13:50-14:20

Product theatre –
Hall X2

Industry Product Theatre

IPT.02 | How can therapeutic choices be tailored to the needs and preferences of patients with schizophrenia?

P. Gorwood

Financial support provided by Otsuka Pharmaceutical Europe Ltd and H. Lundbeck A/S

14:25-14:55

Room 0.11

Industry Interactive Discussion

IID.02 | Identifying psychiatric emergencies due to major depressive disorder

J.A. Ramos-Quiroga, E. Olié

Financial support provided by Janssen Pharmaceutical Companies of Johnson & Johnson in EMEA

15:00-15:30

Product Theatre –
Hall X2

Industry Product Theatre

IPT.03 | Beyond psychosis: effects of lurasidone on other schizophrenia symptoms

H.A. Nasrallah

Financial support provided by Angelini Pharma

18:00-18:45

Hall E1

Industry Mini Sessions

IMS.02 | Addressing long-term outcomes in adults with ADHD

J.A. Ramos-Quiroga, S. Young, G. Fischer

Financial support provided by Takeda Pharmaceuticals International AG

Hall F2

IMS.03 | How to make a difference: patients with cognitive impairment, but no dementia (yet)

S. Kasper, L. Visser, J. Hort

Financial support provided by Schwabe Group

MONDAY

Scientific programme

09:30-17:00
Hall X2

Exhibition

10:00-12:00
Hall X1 & Hall X2

Break
Coffee break

10:15-10:35
Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jams
J19 | Mood disorders
J20 | Addiction

10:15-11:00
Bubble 1 – Hall X2
Bubble 2 – Hall X2

Campfire Sessions
CA11 | Cannabis use and youth mental health *M. Cannon*
CA12 | *T.b.a.*

10:30-11:50
Hall E1
Hall E2

Symposia & Educational Update Session
S10 | New Findings Symposium *C. De Lucia, M. Gruber, S. Küppers, A. Lengvenyte, C. Lynch, M. Osugo*
S11 | The joys and risks of parenthood: the neurobiology of the peripartum brain
G. Cattarinussi, O. Bosch, J. Pawluski, J. Maguire
S12 | The role of insulin in the comorbidity between neuropsychiatric and somatic disorders
T. Wimberley, V. van Gils, G. Fanelli, S. Macri
E04 | Existing and future avenues in the treatment of psychosis: preclinical and clinical perspectives
U. Meyer, H. Alkomiet

Hall F1

Hall F2

10:45-11:05
Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jams
J21 | Other disorders
J22 | Mood disorders

11:15-11:35
Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jams
J23 | Psychotic disorders
J24 | Neurology

11:15-12:00
Bubble 1 – Hall X2
Bubble 2 – Hall X2

Campfire Sessions
CA13 | The value of early intervention and continuity of care for mental disorders *C. Arango, A. Young*
CA14 | Time for united action on depression: reflections on the Lancet-World Psychiatric
Association Commission *B. Penninx*

11:15-12:00
Hall K

Regulatory Spotlight Session
OS06 | How to measure quality of life? *C. Quinten, P. Falkai, F. Calisti*

11:45-12:05
Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jams
J25 | Psychopharmacology
J26 | Stress and anxiety disorders

12:15-13:00
Hall D

Plenary Lecture
PL03 | **ECNP Neuropsychopharmacology Award Lecture**
The psychobiology of exhaustion *M. Åsberg*

13:00-14:25
Poster area – Hall X1

Poster Session
Presenting author available at the poster

13:00-14:30
Hall X1 & Hall X2

Break
Lunch

13:20-13:50
Hall F2

Top Paper Session
TP04 | Highlights in brain imaging *R. Lanzenberger*

13:20-13:50
Hall K

Love Your Brain Session
L03 | Beating brain fog *S. Brennan*

13:20-14:05
Bubble 1 – Hall X2
Bubble 2 – Hall X2

Campfire Sessions
CA15 | A personal glimpse of Felice Jacka *F. Jacka*
CA16 | The physical comorbidity cost of mental health disorders *J. Simon*

13:20-14:05
Hall F1

Other Session
OS07 | Hot Topic Session 2 *F. Papaleo, H. Hulshoff-Pol, B. Haarman, T. Hahn*

13:20-14:05
Hall G2

Career Development Session
CD04 | Academic mental health *H. Lashuel*

MONDAY

Scientific programme

14:25-15:10
Hall K

Panel Discussion

OS08 | Pharmacogenomics and pharmacotranscriptomics for the personalisation of pharmacological treatments in psychiatric disorders: are we there yet?
Baune, M. Dierssen, A. Minelli, E. Maron

14:25-14:45
Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jams

J27 | Mood disorders
J28 | ADHD

14:25-14:55
Hall F1

Award Talk

A01 | Best Negative Data Prize in Pre-Clinical Neuroscience

14:25-14:55
Hall F2

Top Paper Session

TP05 | Highlights in anxiety disorders *G. Wegener*

14:25-15:10
Bubble 1 – Hall X2
Bubble 2 – Hall X2

Campfire Session

CA17 | RealMent – using real-world data to improve outcome in severe mental illness
O. Andreassen

CA18 | Rising Star Award Campfire – Comorbidities of major depression: under-researched mechanisms in focus *L. Kalinichenko*

14:25-15:10
Hall G2

Career Development Session

CD05 | Hourglass dilemma – funding for mid-career researchers *P. Thostrup, S. Joca*

14:55-15:15
Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jams

J29 | In vivo neuroimaging
J30 | Mood disorders

15:00-15:30
Hall X1 & Hall X2

Break

Coffee break

15:25-15:45
Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jams

J31 | Epidemiology and big data
J32 | Psychotic disorders

15:30-16:15
Bubble 1 – Hall X2
Bubble 2 – Hall X2

Campfire Sessions

CA19 | Population research to enhance brain health: (how) does it work? *M. Breteler*
CA20 | The effects of social isolation on health *J. Holt-Lunstad*

15:30-16:50
Hall E1

Symposia & Educational Update Session

S13 | Extracellular matrix dysregulation in psychiatric and neurological diseases
S. Spijker, S. Berretta, C. Seidenbecher, J. Nacher

S14 | Immune-metabolic dysfunction in psychiatry *Y. Milaneschi, S. Gold, R. Upthegrove, J. Felger*

S15 | What does confidence have to do with it?! *L. Charles, M. Rouault, I. Fradkin, M. Hoven*

Hall F1

E05 | Addressing sex differences in neuropsychopharmacological preclinical and clinical research *C. Ferland-Beckham, N. Kokras*

Hall F2

15:55-16:15
Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jams

J33 | Mood disorders
J34 | Non-pharmacological interventions

16:05-16:50
Hall K

Other session

OS09 | ECNP inspired *A. Chadha Santucci, N. Sousa, B. Franke, E. van Someren*

16:25-16:45
Corner 1 – Hall X1
Corner 2 – Hall X1

Poster Jams

J35 | Preclinical research
J36 | Mood disorders

17:00-17:45
Hall D

Plenary Lecture

PL04 | Novel insights into immune-brain interactions *J. Kipnis*

18:00-19:00
Hall E1

General Assembly of ECNP members

19:00-19:30
Hall E1

ECNP Member drinks

Industry sessions

08:30-10:00

Hall E1

Industry Satellite Symposia

ISS.11 | **Spotlight on the management of treatment-resistant depression: from glutamate to treatment pathways** *E. Ros-Cucurull, M. Walter, D. Dudek, S. Kasper*

Financial support provided by Janssen Pharmaceutical Companies of Johnson & Johnson in EMEA

Hall F1

ISS.12 | **Novel TAARgets for stabilizing neural circuits in schizophrenia**

C.U. Correll, O. Howes, A. Abi-Dargham, L. Citrome

Financial support provided by Sunovion Pharmaceuticals Inc.

Hall F2

ISS.13 | **Overcoming barriers in major depressive disorder and schizophrenia: what are we waiting for?**

R. Emsley, C. Emborg Mafi, D. McIntosh, A. Cleare

This independent medical educational Industry Satellite Symposium is organised by Medscape Education.

Financial support provided by Otsuka Pharmaceutical Development & Commercialization Inc., and H. Lundbeck A/S

10:15-10:45

Room 0.11

Industry Interactive Discussion

IID.03 | **R-107 (oral XR Ketamine), a rapid acting Phase 3 candidate for treatment resistant depression**

P. Surman

Financial support provided by Douglas Pharmaceuticals Ltd

10:45-11:15

Product Theatre –
Hall X2

Industry Product Theatre

IPT.04 | **Real-world experience and learnings from Italy with a breakthrough antidepressant treatment**

G. Martinotti

Financial support provided by Janssen Neuroscience

13:50-14:20

Product Theatre –
Hall X2

Industry Product Theatre

IPT.05 | **Could it be ADHD?** *P. Mason*

Financial support provided by Takeda

15:00-15:30

Product Theatre –
Hall X2

Industry Product Theatre

IPT.06 | **Key clinical questions and answers in the treatment of schizophrenia** *S. Pappa*

Financial support provided by Gedeon Richter Plc and RECORDATI S.p.A

Scientific programme

08:30-14:30
Hall X2

Exhibition

08:30-09:50
Hall E1

Symposia & Educational Update Session

S19 | Brain in a dish – the past and future direction of hiPSC-derived cell models of neuropsychiatric disorders

K. Townsley, T. Sheldrick-Michel, M. Peitz, T. Sawada

Hall E2

S20 | Fast-acting antidepressant treatments: new perspectives *P. Casarotto, S. Thompson, L. Monteggia, C. Kraus*

Hall F1

S21 | Course alteration in ADHD: within sight or out of sight? *L. Rohde, M. Hoogman, Z. Chang*

Hall F2

E07 | COG.....IGNITION! Can we jumpstart cognition in schizophrenia and bipolar disorder? *P. Ritter, R. Strawbridge*

09:00-09:20

Poster Jams

Corner 1 – Hall X1

J37 | Psychotic disorders

Corner 2 – Hall X1

J38 | Neurology

09:30-09:50

Poster Jams

Corner 1 – Hall X1

J39 | Epidemiology and big data

Corner 2 – Hall X1

J40 | Psychotic disorders

10:00-10:20

Poster Jams

Corner 1 – Hall X1

J41 | Mood disorders

Corner 2 – Hall X1

J42 | Psychopharmacology

10:00-12:00

Break

Hall X1 & Hall X2

Coffee break

10:15-11:00

Campfire Sessions

Bubble 1 – Hall X2

CA21 | Sleep *P. Zee*

Bubble 2 – Hall X2

CA22 | Golden hours in practice: lessons learned from war in Ukraine *I. Frankova*

10:30-10:50

Poster Jams

Corner 1 – Hall X1

J43 | Preclinical research

Corner 2 – Hall X1

J44 | Mood disorders

10:30-11:50

Symposia & Educational Update Session

Hall E1

S16 | Covid, the brain and mental health *P. Harrison, G. De Erausquin, M. Benros, T. von Oertzen*

Hall E2

S17 | Novel insights into autism: from interventions to sex-specific phenotypes *T. Del Bianco, K. Alae-rtis, S. Shamay-Tsoory, E. Jones*

Hall F1

S18 | Shaping the brain with exercise: implications for neuropsychiatric disorders *B. Stubbs, A. Hannan, Y. Nolan, J. Firth*

Hall F2

E06 | Assessment and management of sleep disorders in anxious and depressed patients *F. Benedetti, L. Palagini*

11:00-11:20

Poster Jams

Corner 1 – Hall X1

J45 | Stress and anxiety disorders

Corner 2 – Hall X1

J46 | Non-pharmacological interventions

11:15-12:00

Nomenclature Session

Hall K

OS10 | Neuroscience-based Nomenclature coming of age: new developments *J. Zohar, P. Blier, C. Correll, S. Stahl*

11:15- 12:00

Campfire Sessions

Bubble 1 – Hall X2

CA23 | Ordinarily well: the case for antidepressants *P. Kramer*

Bubble 2 – Hall X2

CA24 | The neurodiversity concept: is it helpful for clinicians and scientists? *A. Thapar*

11:30-11:50

Poster Jams

Corner 1 – Hall X1

J47 | In vivo neuroimaging

Corner 2 – Hall X1

J48 | Addiction

12:15-13:00

Plenary Lecture

Hall D

PL05 | Brain Prize Lecture –

Circuits for locomotor movement in health and disease *O. Kiehn*

TUESDAY

Scientific programme

13:00-14:30
Hall X1 & Hall X2

Break
Lunch

13:00-14:20
Poster area – Hall X1

Poster Session
Presenting author available at the poster

13:20-13:50
Hall F1

Top Paper Session
TP06 | Highlights in psychiatric genetics *I. Hovatta*

13:20-14:05
Hall K

New Frontiers Session
OS11 | Decentralised clinical trials: the role of digital health *E. Van der Eycken, V. Sharma*

13:20-14:05
Bubble 1 – Hall X2
Bubble 2 – Hall X2

Campfire Sessions
CA25 | A personal glimpse of Carmine Pariante *C. Pariante*
CA26 | The relationship between creativity, leadership and bipolar disorder *E. Vieta*

13:20-14:05
Hall G2

Career Development Session
CD06 | Innovation start-up *B. Murphy*

14:20-15:05
Hall D

Plenary Lecture
PL06 | Stress and perinatal mental health – from mechanisms to clinical practice *C. Pariante*

15:05-15:20
Hall D

Closing & Award Session
