

Advancing Postpartum Depression Care: From Identification and Management to Neurobiological Insights

Agenda

Welcome and Introductions

Early Recognition and Multidisciplinary Care in Postpartum Depression

GABA(A) Receptor Signaling in Postpartum Depression: From Neurobiology to Clinical Evidence

Q&A and Closing Remarks

Speakers

Prof. Dr. Peter Falkai (Chair)

Director of the Department of Psychiatry
and Psychotherapy
LMU University Hospital
Munich, Germany

Prof. Dr. Stephanie Wallwiener

Acting Director of the Department of
Obstetrics and Prenatal Medicine
University Medicine Halle
Halle (Saale), Germany

Join us for an interdisciplinary discussion on postpartum depression (PPD),

exploring the importance of early
recognition, neurobiological mechanisms
and their therapeutic relevance, and how
collaboration between psychiatry and
reproductive care can strengthen support
across the patient journey.
