

ECNP Executive Committee Disclosure of Interests Statement

Full name: _____

Date: _____

The disclosure statement is a registry of all of your relationships, financial or otherwise (not including your primary employment), that could be perceived – correctly or not – as having a possible bearing on the decisions you make as an ECNP Executive Committee member.

The statement should include relationships that are active during your term and within the 12 months prior, i.e. October 2024 to October 2026.

The statement will be updated annually, and it made publicly available on the ECNP website.

Complete each row by selecting “None” or providing the requested information. If you have multiple relationships of the same type (e.g., consultancy) with different entities, please use the additional blank spaces provided.

Type of relationship	None	Money paid to you	Money paid to institute	Paying entity	> € 10k	≤ € 10k	Comments
1. Board membership							
2. Consultancy and advisory appointments							
3. Travel/ accommodation/ meeting expenses unrelated to other activities listed							
4. Money received for your institution							
5. Patents (planned, pending or issued)							
6. Stocks and shareholdings							
7.							
8.							
9.							
10.							

Other relationships

Are there other relationships or activities that could have an influence, or that could give the appearance of potentially having an influence, on your work with ECNP?

I have no other relationships/commitments/arrangements that present a potential conflict of interest.

Yes, I have the following relationships/commitments/arrangements:

I certify that the above is correct:
