January 2024

Group Registration Process for group coordinators

Step 1

Group registration(s) and payment

Submit group registration(s) via your [Registration portal](#) (from 1 – up to 250 participants per group registration). Process payment either directly by credit card or via bank transfer within 15 days after completing the group registration(s). For group registrations payment by bank transfer is preferred. Please read carefully the registration [terms and conditions](#).

(!) Important
- *Group coordinator can make multiple group registrations.*
- *Please make separate group registrations if you have large groups of mixed in-person and virtual participants.*
- *Should you have a group with more than 250 participants; please split it up into multiple group registrations.*
- *Confirmation e-mail with registration instructions and related invoice(s) are sent to group coordinator after group registration is complete. Your invoice(s) will also be available in your selected registration on Registration Portal after full payment is received by ECNP.*
- *If an Early registration deadline has passed before we received your payment, higher registration fee shall automatically apply and an additional invoice will be issued.*

Step 2

Voucher codes and distribution

Unique voucher codes per registration fee will be sent to you by e-mail and will also be available at your [Registration portal](#) after full payment has been received.

Share the right voucher code with the right group participant together with the [Voucher registration instructions](#). Your group participants should activate their voucher code by logging into the Registration portal and clicking on 'Voucher registration' button. Before entering the portal they will be asked to either login with their personal [My ECNP](#) account or create new account first.

If a group participant will *present a poster at the congress* this voucher code needs to be activated by **Tuesday 23 July 2024**.

Please note and also inform your groups, that participants will appear on the final registration list and they can attend the congress **only after they have activated their voucher code** according the deadlines stated (see deadlines in step 6).

(!) Important
- *Voucher codes are unique and based on the relevant registration fee purchased.*
  For instance, a non-member cannot use a member's voucher code.
- *Participants with the [Early Career Scientist](#) (ECS) fee should upload a copy of their ID/passport when activating voucher codes.*
- *Participants with the CDE fee can only register with this fee if they are resident in one of the [CDE Countries](#).*
- *Once a group participant activates the voucher code, registration confirmation is sent directly to this person.*
- *It is the responsibility of the group coordinator to inform each of the group participants that they will be part of a group registration to avoid any double registrations. ECNP cannot be held responsible for double registrations.*

Step 3

Track/edit your group
Track registration status of your group participants/voucher codes via your [Registration portal](#).

(!) What you can see and edit on your Registration Portal
- *You can see full name of your group participant if a voucher code is activated, as well as voucher activation date.*
- *You can cancel a group participant until **20 September 2024** via 'Cancel participant / Re-use voucher' button if a voucher code was accidentally used or if participant cannot join the congress. Cancelled group participant will receive cancellation e-mail. Note that this voucher code can be re-used by another person fitting into the same registration fee.*
- *If needed, your group participants can download an invitation letter for visa application by logging into their Registration portal. At the same time, you, as group coordinator can also download visa letters of your group participants by filling out their personal details on your Registration portal.*
- *You can track the congress attendance status of all your participants during and after the congress.*
- *You can download an Excel version of your group registration overview.*

Step 4

Badge pick up of in-person participants
The Group coordinator can indicate at the [Registration portal](#) whether they prefer individual or group badge pick-up for their in-person participants. Last day to change the preference is *15 September 2024*.

(!) Important
- *Applicable only to in-person group participants.*
- *All your in-person participants with group pick-up have to activate their voucher codes **before 20 September 2024.***
- *Once the badges have been printed the records are blocked and no further changes will be possible.*

Group badge pick-up

Group coordinator is responsible to pick-up badges onsite on *Friday 20 September 2024* and distribute them to the group participants. Badges that were not picked-up on Friday can only be collected individually from Saturday 21 September 2024 onwards.

Groups up to 100 participants
Group coordinator will receive an e-mail with *unique access code* per group registration. The *unique access code* allows the group coordinator to print all the badges at once on Friday 20 September 2024 at the onsite registration kiosks. Before printing the badges it is possible to adapt information directly at the kiosks or online via the Registration portal.

Groups over 100 participants
Individual appointment can be made and group coordinator can pick-up all pre-printed badges at once at the registration desk on Friday 20 September 2024.

Individual badge pick-up

Each group participant is responsible to print their own badge onsite individually.

Close to the congress each of the group participants will receive an information email from ECNP with the *unique barcode*.

The *unique barcode* allows the participants to print their own badge at the onsite registration kiosks as of Saturday 21 September 2024 during opening hours.

In addition, a QR code is also available in the ECNP app for participants to print their badge.

Step 5

Congress platform
From Friday 20 September 2024 a direct link to the congress platform will be available on the ECNP congress website. All participants can join the congress programme by logging in with their My ECNP account. The congress will take place according to Central European Summer Time (CEST).

The congress programme can be viewed here. For an overview of all session types please click here. The livestreamed sessions will be recorded for on-demand viewing by registered participants until 18 December 2024, 12.00 CET (Central European Time).

Step 6

Deadlines

	In-person participants	Virtual participants
Bank transfer payment option *afterwards only by credit card*	**5 September 2024**	**5 September 2024**
