Subject: disclosure of potential conflict of interest

Dear EC members,

Please find attached ECNP's policy on relations with industry and other organisations.

It was decided that EC members and officers must disclose what potential **conflicts of interest** they have, arising from activities in the **previous three years**. Could you please fill in the attached conflict of interest template? The overview will be published on the ECNP website. In the columns money (or money received by institutions) you just have to fill in a simple yes or no.

Could you please fill in the template and send it back to me? If you have any questions, please let me know.

Thank you in advance.

Ellen
